PROBLEM: Exposure to normal road and weather conditions leads to various residues forming on automobiles windshields and windows. Traditional cleaners have trouble removing these stubborn residues and also tend to streak or leave a rainbow.

SOLUTION: BG Glass Cleaner effectively cuts through the most stubborn types of residues such as road salt, road film, oil, grease, paint overspray, and bugs. BG Glass Cleaner cleans and brightens all glass surfaces without leaving a rainbow or streaking.

- BENEFITS:**
- Handles the most stubborn residues
 - Cleans and brightens all glass surfaces
 - Does not streak
 - Anti-fog characteristics

USAGE: SHAKE WELL before using. Hold can in an upright position about 10–12 inches (25-30 cm) from surface and spray a generous coating. Wipe clean with a clean, dry cloth.
